Subject: Proposal for Complete Custom University Management & Financial ERP System

Respected Sir/Madam,

Greetings from Rupantar.

We are pleased to submit this proposal for the design and development of a Complete Custom University Management System (ERP) for Sidho-Kanho-Birsha University (SKBU).

The objective of this system is to digitally manage student records, academic operations, examination processes, fee collection, and financial reporting through a secure and scalable web-based platform.

1. Student Management Module

- Online Admission & Registration
- Student Profile & Document Management
- Course & Semester Enrollment
- Student Portal Access

2. Academic & Attendance Module

- Department and Subject Management

3. Examination & Result Module

- Marks Entry and Grade Calculation
- Result Publishing
- Marksheets and Transcript Generation (PDF)

4. Fee & Financial Management Module

- Course-wise Fee Structure Setup
- Semester Fee Collection and Receipt Generation
- Due Tracking and Installment Support
- Income/Expense Ledger

5. Admin Dashboard & Reports

- Role-based Access Control (Admin, Faculty, Accounts, Student)
- Analytics Dashboard

- Exportable Reports (PDF/Excel)

6. Hosting, Server & Support Services

Rupantar will provide:

- Secure Server Hosting & Database Management
- Bandwidth Support for High Traffic
- Regular Backup and Security Monitoring
- Post-launch Technical Support and Maintenance

Project Timeline

The ERP development can be delivered phase-wise within 1-3 months depending on module finalization and approval stages.

7. Project Cost & Renewal

Total Project Cost: Rs. 1,50,000 (One-time)

Cost Breakdown:

- A. Student Management Module: Rs. 1,50,000**
- B. Financial Management Module: Rs. 75,000**
- C. Server, Bandwidth, Maintenance & Support: Rs. 60,000**

Yearly Renewal (Hosting + Maintenance + Support): Rs. 60,000 per year

(Any major development or change requests will be charged separately as per work requirements).

Conclusion

We would be honored to collaborate with Sidho-Kanho-Birsha University in developing a modern, efficient, and future-ready digital ERP platform.

Thank you for your valuable time and consideration.

Yours sincerely,

Aninda Roy
